Be it enacted by the Board of Supervisors of the County of Ontario as follows:

SECTION 1: Purpose:

The intent of this Local Law is to authorize Ontario County to permit 12 and 13 year old individuals to participate in hunting opportunities in accordance with Environmental Conservation Law § 11-0935. The enacted 2021-2022 New York State Budget, includes a pilot program, allowing the opportunity for young hunters, ages 12 and 13, to hunt deer with firearms and crossbow through 2023 if a county authorizes such action within their municipality. Ontario County is passing this local law as hunting is a valued tradition for many families, and this opportunity allows experienced, adult hunters to introduce the value of hunting to the next generation. Furthermore, teaching young people safe, responsible, and ethical hunting practices will ensure a rewarding experience for the youth, while providing quality food to families and contributing to important deer management population control practices.

SECTION 2: Pilot Program Authorization:

Pursuant to Environmental Conservation Law, ECL 11-0935, Ontario County elects to participate in the temporary program to allow for young hunters, ages twelve (12) and thirteen (13), to hunt deer with a firearm, to include rifles, shotguns, and muzzle loaded firearms or crossbow through 2023.

SECTION 3: State Requirements:

Twelve (12) and thirteen (13) year old licensed hunters shall be allowed to hunt deer with the following requirements in place:

- Twelve (12) and thirteen (13) year old licensed hunters shall be under the supervision of a licensed adult hunter, age 21 years or older, with a rifle, shotgun, or muzzle loading firearm in areas where and during the hunting season in which such firearms may be used; and

- Twelve (12) and thirteen (13) year old licensed hunters shall be allowed to hunt deer under the supervision of a licensed adult hunter, age 21 years or older, with a crossbow during the times when other hunters may use crossbows; and
- Supervision of a licensed adult hunter, age twenty-one (21) years or older, with at least three (3) years of experience who exercises dominion and control over the youth hunter at all times is required; and
- All licensed twelve (12) and thirteen (13) year old hunters as well as their adult supervisors shall be required to wear fluorescent orange or pink clothing while engaged in hunting to an extent and covering so designated pursuant to the law, rules, and regulations promulgated by the State of New York; and
- All licensed twelve (12) and thirteen (13) year old hunters shall remain at ground level while hunting deer with a crossbow, rifle, shotgun, or muzzleloader; and
- Notwithstanding any State or Federal Law to the contrary, this local law shall not authorize the hunting of bear by twelve (12) and thirteen (13) year old with a firearm or crossbow.

SECTION 4: Local Law Filing Requirements:

A copy of this local law shall be sent to the New York State Department of Conservation as well as the NYS Department of State

SECTION 5: Severability:

If any clause, sentence, paragraph, subdivision, section or part of this Local Law or the application thereof, to any person, individual, corporation, firm, partnership, entity, or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional such order of judgement shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this Local Law or in its application to the person, individual, corporation, firm partnership, entity, or circumstance directly involved in the controversy in which such judgment or order shall be rendered.

SECTION 6: Effective Date:

This local law shall take effect immediately upon filing and publication in accordance with Section 27 of the Municipal Home Rule.
