INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM; ON INTERNAL CONTROL OVER
COMPLIANCE; AND ON THE SCHEDULE OF EXPENDITURES OF
FEDERAL AWARDS REQUIRED BY OMB CIRCULAR A-133

The Board of Supervisors
County of Ontario, New York:

Report on Compliance for Each Major Federal Program

We have audited the County of Ontario, New York's (the County), compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that could have a direct and material effect on each of the County's major federal programs for the year ended December 31, 2014. The County's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

As discussed in note 1 to the schedule of expenditures of federal awards, the County's basic financial statements include the operations of certain entities whose federal awards are not included in the schedule of expenditures of federal awards for the year ended December 31, 2014. Our audit described below, did not include the federal awards, if any, of the entities identified in note 1.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2014.

Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of and for the year ended December 31, 2014, and the related notes to the basic financial statements, which collectively comprise the County's basic financial statements. We have issued our report thereon dated June 11, 2015, which contained unmodified opinions on those financial statements. We did not audit the financial statements of the Ontario County Industrial Development Agency, the Finger Lakes Community College, the Ontario County Four Seasons Local Development Corporation, and the Ontario Tobacco Asset Securitization Corporation which are component units of the County. Also we did not audit the Ontario County Health Facility, which is both a major fund and 100 percent of the assets, net position, and revenues of the business-type activities. Those statements were audited by other auditors whose report has been provided to us, and our opinion, insofar as it relates to amounts included for the Ontario County Industrial Development Agency, the Finger Lakes Community College, the Ontario County Four Seasons Local Development Corporation, Ontario Tobacco Asset Securitization Corporation, and the Ontario County Health Facility is based solely on the report of other auditors. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Supervisors
County of Ontario, New York:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Ontario, New York (the County), as of and for the year ended December 31, 2014, and the related notes to the basic financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated June 11, 2015. Our report includes a reference to other auditors who audited the financial statements of Ontario County Industrial Development Agency, the Finger Lakes Community College, the Ontario County Four Seasons Local Development Corporation, Ontario Tobacco Asset Securitization Corporation, and the Ontario County Health Facility, as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matter that is required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

COUNTY OF ONTARIO, NEW YORK

Notes to Schedule of Expenditures of Federal Awards

December 31, 2014

(1) Basis of Presentation

(a) Reporting Entity

The accompanying schedule of expenditures of federal awards presents the activity of federal financial assistance programs administered by the County of Ontario, New York (the County), an entity as defined in the basic financial statements, except that it does not include the federal financial assistance programs, if any, of the Ontario County Industrial Development Agency, the Finger Lakes Community College, the Ontario County Four Seasons Local Development Corporation, and the Ontario Tobacco Asset Securitization Corporation.

(b) Pass-Through Programs

Where the County receives funds from a government entity other than the federal government (pass-through), the funds are accumulated based upon the Catalog of Federal Domestic Assistance (CFDA) number advised by the pass-through grantor.

Identifying numbers, other than CFDA numbers, which may be assigned by pass-through grantors are not maintained in the County's financial management system. Where the County has identified pass-through identifying numbers they are included in the schedule of expenditures of federal awards.

(c) Nonmonetary Federal Programs

New York State makes payments of benefits directly to vendors, primarily utility companies, on behalf of eligible persons participating in the Low-Income Home Energy Assistance Program (CFDA Number 93.568). Included in the amount presented on the schedule of expenditures of federal awards is \$2,448,604 in direct payments.

(2) Basis of Accounting

The schedule of expenditures of federal awards is presented on the modified accrual basis of accounting and the amounts presented are derived from the County's general ledger. For programs with funding ceilings and caps, federal expenditures are only recorded and presented in the schedule of expenditures of federal awards up to such amounts.

(3) Indirect Costs

Indirect costs are included in the reported expenditures to the extent such costs are included in the federal financial reports used as the source for the data presented.

COUNTY OF ONTARIO, NEW YORK
Notes to Schedule of Expenditures of Federal Awards, Continued

(4) Matching Costs

Matching costs, i.e., the County's share of certain program costs are not included in the schedule of expenditures of federal awards.

(5) Subrecipients

The following programs operated by the County provided federal awards to subrecipients during the year ended December 31, 2014:

<u>CFDA Number</u>	<u>Program</u>	<u>Amounts Provided to Subrecipients</u>
93.959	Block Grants for Prevention and Treatment of Substance Abuse	\$ 545,838

COUNTY OF ONTARIO, NEW YORK
 Schedule of Findings and Questioned Costs
 Year ended December 31, 2014

Part I. - SUMMARY OF AUDITORS' RESULTS

Financial Statements:

- Type of auditors' report issued: Unmodified
- Internal control over financial reporting:
1. Material weakness(es) identified? ___ Yes x No
2. Significant deficiency(ies) identified not considered to be material weakness(es)? ___ Yes x None reported
3. Noncompliance material to financial statements noted? ___ Yes x No

Federal Awards:

- Internal control over major programs:
4. Material weakness(es) identified? ___ Yes x No
5. Significant deficiency(ies) identified not considered to be material weakness(es)? ___ Yes x None reported

Type of auditors' report issued on compliance for major programs: Unmodified

6. Any audit findings disclosed that are required to be reported in accordance with OMB Circular A-133 (section .510(a))? ___ Yes x No
7. The County's major programs audited were:

<u>Name of Federal Programs</u>	<u>CFDA Number</u>
Supplemental Nutrition Assistance Program	10.561
Highway Planning and Construction	20.205
Temporary Assistance for Needy Families	93.558
Low-Income Home Energy Assistance Program	93.568
Social Services Block Grant	93.667
Medical Assistance Program	93.778

8. Dollar threshold used to distinguish between Type A and Type B programs? \$ 631,504
9. Auditee qualified as low-risk auditee? x Yes ___ No

Part II. - FINANCIAL STATEMENT FINDINGS SECTION

No reportable findings.

Part III. - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS SECTION

No reportable findings or questioned costs.

COUNTY OF ONTARIO, NEW YORK
Status of Prior Year Audit Findings
Year ended December 31, 2014

There were no findings reported for the year ended December 31, 2013.
